

**AIR POLLUTION CONTROL DISTRICT
LOUISVILLE, KENTUCKY**

GREG FISCHER
MAYOR

KEITH H. TALLEY, SR.
DIRECTOR

**Asbestos and Demolition Notifications Submission
During COVID-19 Response**

March 18, 2020

Louisville Metro Government has implemented changes to operations and facilities, which includes closing some Metro Government buildings to the public. The Edison Center, where the Air Pollution Control District's (APCD) office is located, is among those buildings with restricted access. As a result, we are not able to receive notifications or answer questions in person at this time.

During the time these measures are in effect, we are still able to receive notifications through:

1. AirAsbestos@louisvilleky.gov
2. Mailing to our address: Air Pollution Control District
701 W Ormsby Ave, Suite 303
Louisville KY, 40203
3. Fax: 502-574-5306

All APCD staff are teleworking to allow for social distancing in our office. **The preferred method to submit notifications to APCD is through email at AirAsbestos@louisvilleky.gov**

We are also available by phone and email to assist if you have questions. APCD asbestos staff Regina Freeman, Josh McGeorge, and Steven Gravatte will be copied on all emails sent to AirAsbestos@louisvilleky.gov so it is the preferred way to reach us at this time. If you need to reach an asbestos staff member individually, you may do so by calling or emailing them directly as follows:

Regina Freeman	502-574-7227	Regina.Freeman@louisvilleky.gov
Josh McGeorge	502-574-5322	Josh.McGeorge@louisvilleky.gov
Steven Gravatte	502-574-7232	Steven.Gravatte@louisvilleky.gov

This information will be posted to the COVID-19 Information section of our website. This website will be updated if this information changes.
